

GLAZE TEAM MEMBER:

Scope of Position:

Glaze team member will be responsible for glazing tile and art pottery forms by employing a variety of methods: spraying, pouring, dipping and antiquing. The ideal candidate will have prior glaze and/or ceramics experience, or the ability to quickly learn and understand how to effectively apply glaze on Rookwood product.

Responsibilities:

- Follow daily production schedules and meet production goals set by Team Lead and Management
- Glaze tile and art pottery in an accurate and timely manner
- Maintain a steady output of productivity by minimizing errors and scrap numbers, while maximizing efficient practices
- Identify glaze and equipment issues and troubleshoot if possible or flag Team Lead and/or Floor Supervisor when necessary
- Follow all safety policies and procedures, including the use of a respirator mask in spray booth
- Work collaboratively with other departments to ensure a quality product is being produced
- Follow glaze adjustment and maintenance practices and procedures, as defined by company protocols
- Assist in maintaining a clean and organized work space by following 5S principles and guidelines

Requirements:

- Spraying experience in a manufacturing and/or ceramic environment preferred
- Excellent hand/eye coordination
- Must be able to on your feet up to 8 hours/day and lift up to 50 lbs.
- Strong organizational skills and ability to multitask
- Must be proficient in basic computer skills
- Commitment to a safe workplace and all company regulated safety practices
